PAINT LICK.

Frying chickens are plentiful at 10c per pound.

Pies Murray had a nice heifer to die of black leg.

Rev. Chumbley, of Lancaster, preached at Paint Lick Sunday morning.

A pretty little stranger, a daughter, Margaret Blount, arrived at Mr. and Mrs. S. H. Blount's recently.

Fairview church is being rebuilt. Quite a good many of the people around this place have donated something and it is hoped that it will soon be completed.

Miss Callie Adams was accompanied home last Saturday evening by five of Richmond's most beautiful young ladies. They were Misses Annie Kennedy, Lee Prather, Mary Myers, Lula and Mayme Campbell.

Your correspondent has been on the sick list, consequently news items are scarce. Mrs. Jane Higgins is visiting in Bowling Green. John Wallace is expected home from Louisville this week. Joe Haselden, of Lancaster, was in Paint Lick the first of the week. Ebb Anderson and Garnet Tudor are at home on a visit. Mr. John Wells and family, of East Bernstadt, are the guests of Mrs. Fannie Koehler. Mrs. John Siler, of Springfield and Miss Mattie McCarley visited relatives here this week. LAND, STOCK, CROPS, ETC.

Lord Derby may never race again. He was badly hurt in an accident at Hartford.

Embry Bros., who had in over 200 acres of wheat say, their crop won't average 10 bushels to the acre.

W. T. Beck had 50 acres of wheat that he could not cut on account of black rust. The rest of his crop is fairly good.

Bright & Fox shipped yesterday to M. K. Gregg one of the nicest bunches of mules that ever left the city. The price ranged from \$100 to \$150.—Advocate.

A sale of old Burley tobacco involving about \$150,000 was made Wednesday by the Louisville Warehouse Company to the Continental Tobacco Company.

FOR SALE OR EXCHANGE—A two-seated surrey in good condition, for a young milk cow, hog or something of equal value. Apply to George B. Harris, Crab Orchard, Ky.

CAUTION.—This is not a gentle word—but when you think how liable you are not to purchase the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Boecher's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but severe Coughs, Bronchitis, Croup—and especially for Consumption, and where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The 25 cent size has just been introduced this year. Regular size 75 cents. At all druggists. At Penny's Drug Store.

"How old are you, my little man?" asked the minister of a small boy who was celebrating his birthday.

"I'm four years old," replied the youngster, "and I'm mighty glad of it, too. I was gettin' awful tired of being three all the time."

"Johnny," said a father to his small son, who had been fishing all afternoon, "did you catch any fish?"

"No sir," replied truthful Johnny, "but I drowned a lot of worms."

The Ministers of Great Britain, Turkey, Holland and France have left Serbia in anticipation of King Peter's arrival. In an interview at Vienna, King Peter emphasized the difficulty of punishing the assassins, who have been pardoned by the National Assembly.

During the year ended May 31 there was donated to the founding of libraries in the United States the sum of \$10,306,400.

John Brownfield, a negro, who was to have been hanged for murder on Friday, committed suicide in the jail at Georgetown, S. C.

Roy Case, a young son of the late J. I. Case, is mysteriously missing from his home at Racine, Wis. His relatives fear suicide.

CRAB ORCHARD.

It is quite an accommodation to have night mail through the summer season.

While Messrs. Slim Middleton and George Stephenson were out driving a few days ago their horse ran away with them, bruising them up considerably.

Only a few minutes between the arrival of the passenger trains since they have changed time. The southbound comes in at 1 P. M. and the northbound comes in at 12:37.

Mr. and Mrs. Gaines and little daughter, of Lancaster, were here Sunday with their father, Mr. Wm. Stuart. Mrs. Cashdollar and little daughter, of Indiana, are with Mrs. Sigler for the summer.

During the severe electrical storm Saturday afternoon all the telephone and telegraph batteries were burned out. Boss Bastin came over from Lancaster and repaired them. No serious damage was done, but Joe Newland was stunned.

The prohibition election passed off quietly last Tuesday. A large crowd was in town and a good deal of interest was taken in it by both the "drys" and the "wets." The former won by only 21 votes. A much larger vote was expected by them.

Miss Stella Singleton, who lives in the Walnut Flat section, is much improved after a very severe spell of illness. Jordan Middleton came over from McKinney to cast his vote for the "drys." Sam Magee was with the homefolks this week.

Pennington Moore has returned and is a guest of his sister, Mrs. Chas. Singleton. Mr. and Mrs. W. R. Dillion and son, John, of Livingston, are visiting relatives here. Misses Sue Beth James and Mionie Miller are guests of the Misses Collier this week.

Mr. Curtis Gover's handsome young son, Wallace, is training his ponies and getting them ready for the fair. His friends all believe and want him to receive the blue ribbon. He will compete with little Miss Elizabeth Boyle, of Louisville, who will bring her pony rig out to the fair.

Misses Annie and Katherine Bronaugh, in Holdam, Bert James and Annie Evans and Messrs. W. M. Morris, Andrew Buchanan and Maurice Perkins composed a gay crowd to Dripping Springs Sunday. A delightful lunch was served and a most enjoyable day was spent by all. Miss Annie Evans, of Danville, is a guest of the Misses Bronaugh.

Mrs. McGill is visiting her sister, Mrs. Amanda Tatam. Miss Redd has returned from school at London. Mrs. Rhoda Higgins and little Miss Georgia King are visiting relatives in Somerset. Dr. Joe Graham, of Savannah, Ga., and Mr. Cooke, of Louisville, are guests of their aunt, Mrs. Margaret Gormely. Mrs. W. A. Carson and children, of Stanford, were with friends here last week. Miss Beulah Carson accompanied them.

Our pretty bank has been beautified with fresh paint and new blinds which adds greatly to its appearance. Rev. Huey and family, of Stanford, were at the Springs hotel this week. Rev. G. W. Young lectured at the Baptist church Sunday evening and at the Christian church Monday evening. Large and attentive crowds listened to him and much good is hoped for from such plain but christian talks on the dreadful use of whisky.

Misses Pearl and Clara Collier and Mable McWhorter and Messrs. John Chadwick and Harry Collier attended the contest at Stanford. Mrs. W. J. Edmiston and handsome little son, Edward, have gone on a lengthy visit to relatives in Louisville and Galesburg, Ill. Mr. Chas. Speigle will be a guest of Dr. and Mrs. Doores Sunday. Mrs. E. G. Dick and Mr. Donald Dick have returned from an extended trip at Rockford, Ill. Mr. Alex. Beazley and daughter, Miss Mattie, of Lancaster, were visiting friends here this week. Mr. Will Guest, of Louisville, is with the homefolks.

Worst Of All Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For Liver, Kidney, Stomach and Bowel Troubles Electric Bitters is the only medicine. Only 50c. It is guaranteed by all druggists.

Edmond H. Driggs, former Congressman from Brooklyn, was indicted by the Federal grand jury on the charge of receiving \$500 in July, 1900, from an automatic cashier company for securing a contract from the government. Mr. Driggs is the 10th person against whom an indictment has been returned as a result of the postoffice department investigation.

NEWS NOTES.

Mt. Vesuvius is reported to be in eruption again.

Thirty persons were drowned and 54 houses demolished by a cloudburst in Serbia.

The British court will go into mourning for two weeks for the late King Alexander, of Serbia.

Over 170 bodies have been recovered at flood-stricken Heppner, Ore., and 35 persons are missing.

It is stated that a special term of the Harrison circuit court will be called for July 27 to try Jett and White.

Miss Lula Smith and Sam Denham, Somerset, were married in the parlors of the Louisville Hotel, Louisville, last week.

The eyesight of F. C. Lawhead, a student at Ada, O., probably was destroyed with vitriol, thrown by an unknown man.

The \$100,000 home of Alfred Peate, at Greenwich, Conn., was destroyed by fire and his eight-year-old daughter fatally burned.

Miles Willingford, of Columbus, O., held at Denison, Tex., charged with complicity in a murder, committed suicide in jail with morphine.

Five hundred indictments have been returned against a Wise county Virginia, coal operator on the charge of working his men on Sunday.

Bids were opened at Washington for the construction of the gunboat Paducab. Only two bids were received, one for \$355,000 and one for \$377,000.

While driving with his sister near Benshaw, this State, Otho Hearle, a prominent farmer, was thrown from the buggy and his neck was broken.

Charles Taylor, a merchant of Roanoke, Ala., was shot and killed in the street at Montgomery by Byron Trammell, a Deputy United States Marshal.

W. J. Stegall, one of the wealthiest residents of Fayetteville, Tenn., was killed by being struck on the head with some weapon in the hands of a half-crazed Negro, Mag Nix.

Henry Knight, a hotelkeeper of Fulton, was adjudged a bankrupt. He owes about \$50,000 and filed no schedule of assets owing to the fact that his property is in the hands of an assignee.

A mob of 1,000 men surrounded the jail at Peoria, Ill., and clamored for the life of a Negro who had shot and killed Detective William E. Murphy. The absence of a leader was declared to be all that prevented the infuriated citizens from storming the prison in the face of the heavy guard thrown around by the authorities. The vicinity of East St. Louis, Ill., was during the same afternoon and night scourged by a posse of enraged farmers bent on lynching an unknown Negro who had criminally assaulted two women. One of his victims, Miss Florence Bruno, aged 17, will probably die. The other, Annie Green, colored, may recover.

WOMAN.

The London Express prints this poem with a double reading. Read it as it stands and woman is highly flattered, but read alternate lines (one and three, two and four of each verse) and the sentiment is very much the reverse:

Happy a man may pass his life
If he's directed by a wife;
If free from matrimonial chains
He's sure to suffer for his pains.

No tongue is able to unfold
The virtues in woman you behold;
The falsehoods that in woman dwell
Are almost imperceptible.

In woman's heart you'll see appear
Truth, darling, of a heart sincere;
Hypocry, deceit and pride,
In woman never can abide.

Little Alice always said her prayers regularly before going to bed. One night, however, as she rested her head on the pillow, she remarked in a questioning way:

"Mamma, my prayers are so much longer than the one nurse says in the morning. Can't I say hers when I'm tired?"

"Does the nurse pray in the morning?" asked the mother, with a puzzled look.

"Yes," said Alice sweetly, "She says, 'Lord, have I got to get up?'"—New York Commercial-Advertiser.

"I don't think I'll wager with you," said the baker, "you haven't the dough."

"That may be," replied the butcher, "but I don't see you putting up any stakes."

ASHEVILLE AND RETURN.—One fare for the round trip plus 25c, June 11, 12, 13; July 22 to 27, via Queen & Crescent Route. Ask ticket agent for particulars.

MISS JENNIE CARR,

Of Somerset, who won first honors in Mr. E. H. Beazley's Elocutionary Contest June 19th.

HUSTONVILLE.

Quite a number of our society folks attended the annual June hop at Stanford Tuesday evening and enjoyed it greatly.

D. C. Allen shipped a car of fat hogs to Cincinnati for which he paid 4¢ to 5c. He also shipped a double deck of 5¢c lambs.

George Adams, colored, was arrested Saturday on suspicion of robbing Mr. Jeffries of a watch and other jewelry in Liberty last week. The sheriff came for him later.

From the Vicksburg Daily Herald of 21st we clip the following: "Howard Camnitz, the King Bee pitcher of the Cotton States League, is being deluged with offers from clubs in various leagues all over the country. The latest was a wire from the manager of the Jacksonville, Fla., club, telling him to name his price and the earliest date on which he could report. His admirers will be glad to know he has turned down all these offers and will remain with Vicksburg."

Dr. B. L. Barker and handsome bride, of White Heath, Ill., on a bridal tour to New Orleans, stopped over a day or so this week with his brother, Dr. J. C. Barker, Wallace B. Hall and his mother, Mrs. T. G. Tupman, have gone to attend the wedding of her niece, Miss Jennie Blain, the handsome daughter of Capt. Clay Blain, at Stewartsville, Grant county. She marries Mr. E. C. Hardin, of Hampton. Miss Roberta Blain accompanied them. Robert Keenon, of the capital of Mercer, was one of the pleading beaux at the shrine of one of the West End's fair daughters this week. Less M. Reid and John Morris, of Latonia, came over Saturday to rusticate a few days.

The following telegram from Lewis McClaughan to his wife here explains itself: "Chicago, June 20, 1903. Dear wife—I win \$3,000 on The Picket. Kiss the boy tenderly for me. Lewis." This was the first news received here of The Picket's success, and the glad news spread quickly, for many others were deeply interested. Congratulations were not merely a form, but a rigorous matter of factness with all. Later confirmations were numerous and the memorable event was celebrated until the wee sma hours, and their joy was unconfined, their interest abundant and with a glint of sunshine upon cheerful features showing ambitions that were triumphant, the scene closed with that memorable toast of the "Tramp of the Catskill Mountains," and "May he Live Long and Prosper."

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption, Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Bentonsville, Va., serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery and a few bottles completely cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by all druggists. Trial bottles free, regular sizes 50c and \$1.

We heartily agree with the Lexington Democrat in the following: "Whether Judge Hargis be innocent or guilty of aiding and countenancing assassination, he is like a dead weight upon the democratic party, of which it should rid itself. Whether true or not, and God knows we hope it is not, there is a deep-seated, popular belief that the judge is behind the lawlessness in Breathitt, and he owes it to the party with which he has affiliated to relieve it of his weight, falling in which he should be removed. The democratic party cannot afford to carry such a dead weight, even if it desired to, and the time is ripe for it to show its repugnance to the republican method of warfare by casting aside everybody and everything which are suspected, no matter how unguiltily of such crimes." If Judge Hargis is as shrewd a man as he has the credit of being he will resign at once.

THE democrats of Iowa nominated J. B. Sullivan for governor and refused by a decisive vote to reaffirm the Kansas City platform or to adopt a plank favoring the government ownership of railroads. The platform adopted opposes imperialism; condemns the Aldrich financial bill; deprecates corruption in the postoffice department; denounces the trusts; opposes government by injunction; favors the election of Senators by popular vote and demands that the tariff schedules be adjusted with a view to a tariff for revenue only.

A CONFERENCE was held between Gov. Beckham, Inspector Hines, Judge Redwine, Commonwealth's Attorney Byrd, Col. Williams and Adj. Gen. Murray, at Lexington, to discuss the situation in Breathitt county. As a result it was decided to call a special term of court in Jackson on July 20 for the purpose of investigating the disorders and placing the blame for the troubles which have created such a reign of terror in the community.

THE State Board of Equalization will adjourn to-morrow. The State's equalized assessment is \$621,934,964, a raise of \$5,657,381 over the local assessments. On this the State will collect in taxes \$3,169,699.82, of which Lincoln county will pay \$25,268.38. The State Board increased the local assessments in 39 counties.

THEY manage things better on the other side. No passengers were killed on a British railway last year. In this country the deaths were 858 and the injured 64,662. The railroads will save money by a better care of human life.

Henry H. Dunbar has announced as a candidate for re-election to the office of circuit clerk of Russell county. He is a republican.

The republican legislative race in the Rockcastle district has dwindled from four candidates to two, W. A. B. Davis and Jacob Sambrook having withdrawn, leaving it between W. R. Johnson, of Cooksburg, and A. N. Bentley, of Livingston. The convention meets at Mt. Vernon on July 11 to nominate.

Senator Hoar, of Massachusetts, says that the highest compliment he ever received was the remark made by a jurymen many years ago. Mr. Hoar was attorney in a case tried before 12 good men and true in a Massachusetts court. After the verdict had been returned one of the jurymen gave this as his reason for voting as he did: "Squire Hoar told us that it was right and just." The Senator from the Bay State is quoted as saying that he would rather have earned such a tribute of homely confidence as that than all the panegyrics which biographers have bestowed upon famous advocates.

WE heartily agree with the Lexington Democrat in the following: "Whether Judge Hargis be innocent or guilty of aiding and countenancing assassination; he is like a dead weight upon the Democratic party, of which it should rid itself. Whether true or not, and God knows we hope it is not, there is a deep-seated, popular belief that the judge is behind the lawlessness in Breathitt, and he owes it to the party with which he has affiliated to relieve it of his weight, failing in which he should be removed. The Democratic party cannot afford to carry such a dead weight, even if it desired to, and the time is ripe for it to show its repugnance to the republican method of warfare by casting aside everybody and everything which are suspected, no matter how unguilty of such crimes." If Judge Hargis is as shrewd a man as he has the credit of being he will resign at once.

THE democrats of Iowa nominated J. B. Sullivan for governor and refused by a decisive vote to reaffirm the Kansas City platform or to adopt a plank favoring the government ownership of railroads. The platform adopted opposes imperialism; condemns the Al-drich financial bill; deprecates corruption in the postoffice department; denounces the trusts; opposes government by injunction; favors the election of Senators by popular vote and demands that the tariff schedules be adjusted with a view to a tariff for revenue only.

A CONFERENCE was held between Gov. Beckham, Inspector Hines, Judge Redwine, Commonwealth's Attorney Byrd, Col. Williams and Adjt. Gen. Murray, at Lexington, to discuss the situation in Breathitt county. As a result it was decided to call a special term of court in Jackson on July 20 for the purpose of investigating the disorders and placing the blame for the troubles which have created such a reign of terror in the community.

THE State Board of Equalization will adjourn to-morrow. The State's equalized assessment is \$621,934,964, a raise of \$5,657,381 over the local assessments. On this the State will collect in taxes \$3,109,899.82, of which Lincoln county will pay \$25,268.38. The State Board increased the local assessments in 39 counties.

THEY manage things better on the other side. No passengers were killed on a British railway last year. In this country the deaths were 855 and the injured 64,662. The railroads will save money by a better care of human life.

Henry H. Dunbar has announced as a candidate for re-election to the office of circuit clerk of Russell county. He is a republican.

The republican legislative race in the Rockcastle district has divided from four candidates to two, W. A. B. Davis and Jacob Sambrook having withdrawn, leaving it between W. R. Johnson, of Cocksburg, and A. N. Bentley, of Livingston. The convention meets at Mt. Vernon on July 11 to nominate.

Senator Hoar, of Massachusetts, says that the highest compliment he ever received was the remark made by a jurymen many years ago. Mr. Hoar was attorney in a case tried before 12 good men and true in a Massachusetts court. After the verdict had been returned one of the jurymen gave this as his reason for voting as he did: "Squire Hoar told us that it was right and just." The Senator from the Bay State is quoted as saying that he would rather have earned such a tribute of homely confidence as that than all the panegyrics which biographers have bestowed upon famous advocates.
